Good afternoon Kira,

While I'm the technical lead for members of the EM CX staff providing support during the FFA discussions, USACE attorneys Ann Wright and Jeff Matson are the only designated USACE POCs at this time. I've included them in the cc line for your convenience.

I hope this helps,

R,

Hi Leslie

I am interested in setting up a time to meet, introduce myself and the Section Manager I have assigned to the Bradford

site, and discuss current status of the development of the site management plan for Bradford. Can you please let me know if you have anytime available next week. Thanks Kira
